

## **IATSE 667 COVID-19 UPDATE**

2.16.21

Many parts of Ontario moved out of Lockdown today. Toronto, Peel, York, and Niagara (by choice) will remain in Lockdown until February 22<sup>nd</sup>. Once out of lockdown, regions will move back into the Colour Coded system under the Reopening Ontario Framework.

**In all regions that have moved out of Lockdown**, the Film and Television Industry will be able to return to the restrictions in place prior to the December 26<sup>th</sup> order. This means **no limit to the number of performers**.

**For the regions still in Lockdown, the limit on performers has been raised to 50.**

These new regulations also make adherence to the Section 21 Guidance Document mandatory.

It is thanks to all your hard work and commitment to the protocols that the limits have been raised and the industry continues to operate safely and successfully.
