

Ontario Municipal Elections – Monday October 22nd 2018

In order to not only maintain but strengthen and grow our industry in Ontario we need the support of our elected officials at the various city and town halls throughout our province. On that note we strongly encourage you to get out and vote!

Voting hours on election day are from 10 a.m. to 8 p.m. You are entitled to three hours in which to vote. This does not mean you can take three hours off work. It means you're allowed to be absent to give yourself three hours of voting time.

Typically this is at the start or end of your working hours. For example, if your working hours are from 10 a.m. to 6 p.m., you are entitled to leave one hour early so that you would have from 5 p.m. to 8 p.m. to vote. Your employer may decide when it would be most convenient for you to be absent in order to vote. While we haven't listed all locales for our Ontario members, the following is an abbreviated listing of the election web sites, for polls that will be held throughout the province:
